L06 Announcement

1. HW4 is out.
2. **Quiz 2** this week. Quiz review material from prior quarter is posted on Canvas Resources module at the top. Use with caution as content covered may have moved around a bit.
3. I have replied to all emails sent to `DrRavat-Course@pstat.ucsb.edu`. If you have not received a reply or if you sent an email to my regular ucsb email, please resend your email to the course email. I prefer all your questions answered so that you can foucs on learning the material!
4. Check **Issues: Whom to Contact** in the Syllabus link from left navigation menu or "General Reminders and Resources" module on the top on Canvas
5. Use **TA office hours** to review material you are having difficulty with.
6. **Email Policy**: : Check canvas for detailed email policy.
   - Emails must be formatted correctly for fastest response.
   - **Grade discrepancy form** should be used for issues related to grades.
   - For worksheet, section, quiz issues first contact TA
   - Your TA is first person to contact and will reach out to instructor as needed
   - do not email multiple course staff separately.
7. HW is optional but HW Reflection Survey's must be completed on time. Suggested due date on Calendar is Friday each week. However, Canvas has a grace period and will accept submissions till noon on Saturady. Submissions after the grace period are not permitted. Out of fairness to all, extensions for either Homework or Homework Reflection survey are not permitted. However, at the end of the quarter I will drop your lowest score, so missing one Reflection survey won't affect your grade as long as you don't miss others.
8. You will have an opportunity to improve your score on Quiz 1 in Week 10 if you have attempts left.
